

Synthetic Grant Agreement

Pacific Youth Foundation

Youth Access Initiative · Hope Community Services

Grant period: January 1, 2026 through December 31, 2026

This document contains synthetic demonstration data and is not a legal agreement.

1. Award

The Foundation awards Hope Community Services an amount not to exceed \$150,000 for the Youth Access Initiative.

Award-rule extraction source: page 2.

2. Approved Purpose

The Youth Access Initiative will provide school-linked learning support within the approved community-school service area.

Program outcomes require professional review against confirmed program records.

3. Approved Budget

- Personnel: \$90,000
- Program Supplies: \$35,000
- Local Travel: \$15,000
- Indirect Overhead: \$10,000
- Total approved annual budget: \$150,000

4. Reporting Period

The six-month progress report covers January 1, 2026 through June 30, 2026.

The report is a draft until reviewed and approved by an authorized professional.

5. Financial Evidence

Cumulative expenditure must be supported by the grantee's reviewed general-ledger records and transaction evidence.

GrantDeskHQ does not replace the accounting system of record.

6. Narrative Requirement

The grantee will describe progress toward approved program goals using confirmed program information.

The six-month narrative response may not exceed 200 words.

7. Travel Documentation

Each local-travel transaction above \$1,000 must include an itemized receipt and written justification.

This rule applies to TRV-001, TRV-002, and TRV-003 in the synthetic ledger.

8. Material Variances

Explain each budget category varying by more than ten percent from the elapsed-period spending plan.

Local Travel is \$2,300, or 30.67%, above the six-month elapsed-period plan.

9. Program Result

The six-month report must state the unduplicated number of youth served.

Confirmed synthetic program result: 118 youth served against a target of 120.

10. Supporting Records

Source documents, transaction IDs, and supporting-document status should be retained for professional review.

One itemized receipt for TRV-003 remains missing in the initial demonstration state.

11. Amendments

No synthetic amendment changes the \$150,000 award or approved category budgets shown in this demonstration.
