

Six-Month Progress Report — Draft

Pacific Youth Foundation · Youth Access Initiative

Hope Community Services

Reporting period: January 1, 2026 through June 30, 2026

Synthetic demonstration data. Professional review required.

Executive Summary

Hope Community Services served 118 youth during the first six months, reaching 98.3% of its six-month target of 120.

Mapped cumulative expenditures total \$74,150 against the \$150,000 annual award.

Two workshops were deferred; the reason and corrective action still require confirmation.

Budget Versus Actual

Personnel: annual \$90,000; six-month plan \$45,000; mapped actual \$44,500; remaining \$45,500; variance \$-500 (-1.11%).

Program Supplies: annual \$35,000; six-month plan \$17,500; mapped actual \$14,850; remaining \$20,150; variance \$-2,650 (-15.14%).

Local Travel: annual \$15,000; six-month plan \$7,500; mapped actual \$9,800; remaining \$5,200; variance \$2,300 (30.67%).

Indirect Overhead: annual \$10,000; six-month plan \$5,000; mapped actual \$5,000; remaining \$5,000; variance \$0 (0.00%).

Total mapped actuals: \$74,150. Remaining mapped budget: \$75,850.

UNM-001 for \$1,250 remains excluded pending review.

Local Travel Variance Explanation

Annual travel budget: \$15,000. Six-month elapsed plan: \$7,500. Actual travel: \$9,800.
Above elapsed plan: \$2,300, or 30.67%.

Three additional school-site visits were approved. The program expanded into two additional schools, and mileage reimbursement increased during the reporting period.

TRV-001 and TRV-002 receipts are attached. The TRV-003 itemized receipt remains missing.

The statement that travel increased because of hotel costs is blocked because no synthetic source supports hotel costs.

Program Results and Missing Inputs
